Black, flat sandals are part of our school uniform from the beginning of 2025, for Terms 1 and 4 only each year. When buying sandals, please ensure they meet the guidelines.

- *Proper Fit:* Sandals should fit well with adequate strapping to prevent slipping and tripping (no jandals, no crocs)
- *Colour:* Sandals must be black.
- *Socks:* Socks are not to be worn with sandals.
- *Restrictions:* For safety reasons sandals must not be worn during practical classes in PE, Technology (including Food Technology/Hospitality) or Science. Staff will advise.
